

A modern, dark wood-grain trash can with a white top surface. The top features a circular opening on the left, a narrow slot in the center, and a rectangular opening on the right. The trash can is positioned in front of a window with white horizontal blinds. The background is a dark, geometric pattern with a white triangle on the left side.

Series

VERSION 2.0

RECYCLING  
HAS NEVER  
LOOKED  
SO SIMPLY  
*beautiful*

The Aristata Series is a departure from what you think you know about Busch Systems. We've been designing and manufacturing quality containers for over 30 years and have been a trusted source for recycling and waste solutions for clients around the globe. We've brought you recycling bins that are durable, functional and practical.

With the Aristata Series, we are also bringing you unparalleled style.

Our dedicated Design Team spent countless hours crafting the look and feel of the stunning Aristata Series. Each finish and detail was meticulously chosen to be on-trend with today's modern interiors, which has created recycling and waste bins that blend seamlessly into any space.

Customizable lids and labeling options are available for personalization and the entire series will suit every combination of recycling streams.
